Where are your family photos hiding?

The Civic Center is hosting monthly scrapbooking classes and open crop time starting January 23, 2010.

For seasoned scrapbookers this will be a great time to get some pages done without interruption. For new scrapbookers it will be a time to learn about photo organization, page layouts, graphic design, journaling, and more. Instruction in a new technique or layout will be available each month. There will always be page ideas and inspiration!

Join us, in the Whitmore Room, where you will get ample table space to work, instruction, and 6 hours of work time. Carla Swainston, Creative Memories Independent Consultant, will be on hand to help you with your projects and will have limited supplies available for purchase at each session.

For information about scrapbooking, and the content of each class, contact Carla at carlaswainston@hotmail.com. To register, fill out the form below and mail it, with your payment, to the Civic Center, or call to pay by credit card.
