CONSENT & RELEASE OF LIABILITY

I give permission for the participant(s) listed above, and/or myself if I am an adult skater, to participate in Skate Night. I understand roller skating has inherent risks, including falls, collisions, property damage, serious injury, or death. I voluntarily accept these risks and confirm each skater is physically able to participate and is not impaired by alcohol, drugs, or medication. To the fullest extent permitted by law, I release, indemnify, defend, and hold harmless Key Peninsula Civic Center, its staff, and volunteers from claims, costs, or damages arising from participation or use of its facility or equipment. I permit photographs, video, or audio of participants to be used online or in other media.
